

Edelweiss Air with a direct flight from Zurich to Beirut

Edelweiss Air's summer 2011 flight schedule includes a further attractive destination. Starting from June 2011, Edelweiss Air will offer direct flights from Zurich to Beirut for the first time. These flights are in code share with SWISS. From June 10 until October 31, 2011, night-flights will be operated to the Lebanese metropolis on Monday, Wednesday and Friday. The flight connection Zurich–Beirut–Zurich can be combined with the entire SWISS route network. This new flight range caters to both ethnic and tourist travel in Switzerland, in Europe and overseas.

Flight bookings can be made via www.edelweissair.ch, www.swiss.com or a travel agent.
